

A Recreation-Based Program with E-Learning Support

LEAP is a weekly half-day program that simultaneously meets the recreation needs and provides supervised e-learning support that many families in our community are seeking for their school-age children (Kindergarten through 8th Grade). The goal of the LEAP program is to provide a safe, nurturing environment focused on learning, exploration and play! Participants must be registered School District 48 students for the 2020-21 school year in order to register. LEAP will follow the School District 48 calendar, and the program will not be offered on holidays, teacher institute days, or breaks. Transportation for the AM/PM transition between the school and Park District will be provided by School District 48.
